

Solve your biggest challenges

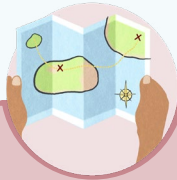

Education Elements, a Scholarus Learning company, is a national education consulting firm that works with schools, districts, and their communities to co-develop strategic approaches to complex challenges. We take the time to understand the unique contexts in which leaders operate, and then customize the approach for each organization we support. Education Elements has worked with hundreds of districts across the country. We bring deep expertise, design thinking, expert facilitation, and an extensive toolkit of resources to deliver sustainable results.

HOW WE CAN SUPPORT YOU

INSTRUCTIONAL DESIGN

Training and capacity-building to promote student-centered instructional practices.

ORGANIZATIONAL STRATEGY

Approaches to drive effective use of time, energy, and resources to support key district priorities.

LEADERSHIP DEVELOPMENT

Development of individuals and teams to leverage practices that fuel organizational growth.

SURVEYS + DATA

Implement data collection and interpretation to support data culture across your organization.

WHY PARTNER WITH EDUCATION ELEMENTS?

School districts partner with us because we bring out the best in people. We are expert guides – motivating and facilitating school and leadership teams to think big and bold as they confront the challenges in their communities. Moreover, we infuse fun, dynamic, and a human-centered approach throughout our work.

“In my 28 years of working in education, this has been the most meaningful work I’ve been a part of.”

District Leader, Bibb County School District, GA

“The Education Elements team has provided our district with the most relevant, practical strategies for organizational efficiency and student success. Our long-standing partnership has truly changed the way we work as a team. Education Elements is as vested in our district’s success as we are.”
